GREETINGS COMMUNITY PARTNER!

Cape St. Claire Elementary School PTO is holding its annual Escape through the Cape 5K & 1M Fun Run on Saturday, April 26, 2025. This popular neighborhood event raises funds to enhance student experiences at our elementary school while promoting fitness and family fun in our community.

We are seeking donations from businesses in our community and would be honored to have you consider supporting this popular race. In exchange for this sponsorship, we will offer exposure for your business that varies with the value of your gift. This is a great opportunity to demonstrate your commitment to the community and our school. We welcome your tax-deductible contributions in the following areas:

Monetary Donations:

Tax deductible in any amount payable to CSC PTO. Sponsorship levels with graded promotional benefits begin at \$250 and are shown on the attached sponsorship level form.

Services:

Volunteer your services for the day of the events! We are always looking for local health clubs, massage therapists, face painters, photographers, musicians, mascots, etc. to support and entertain our participants.

Food/Drink:

Items such as bananas, donuts, bagels, coffee, ice pops, and water bottles are much appreciated to provide to our runners and walkers at the race.

Please respond by April 4, 2025. However, the earlier you respond, the sooner we can start promoting your business and including you in our promotional materials.

Details about the upcoming event will be posted on the Cape St. Claire Elementary School PTO website, www.cscpto.org, as well as our various social media platforms. Feel free to contact us directly or submit the attached form electronically to the email provided below. Thank you in advance for your generous support of the community that supports you. We look forward to hearing from you!

Best Regards,

The Escape through the Cape Race Committee
